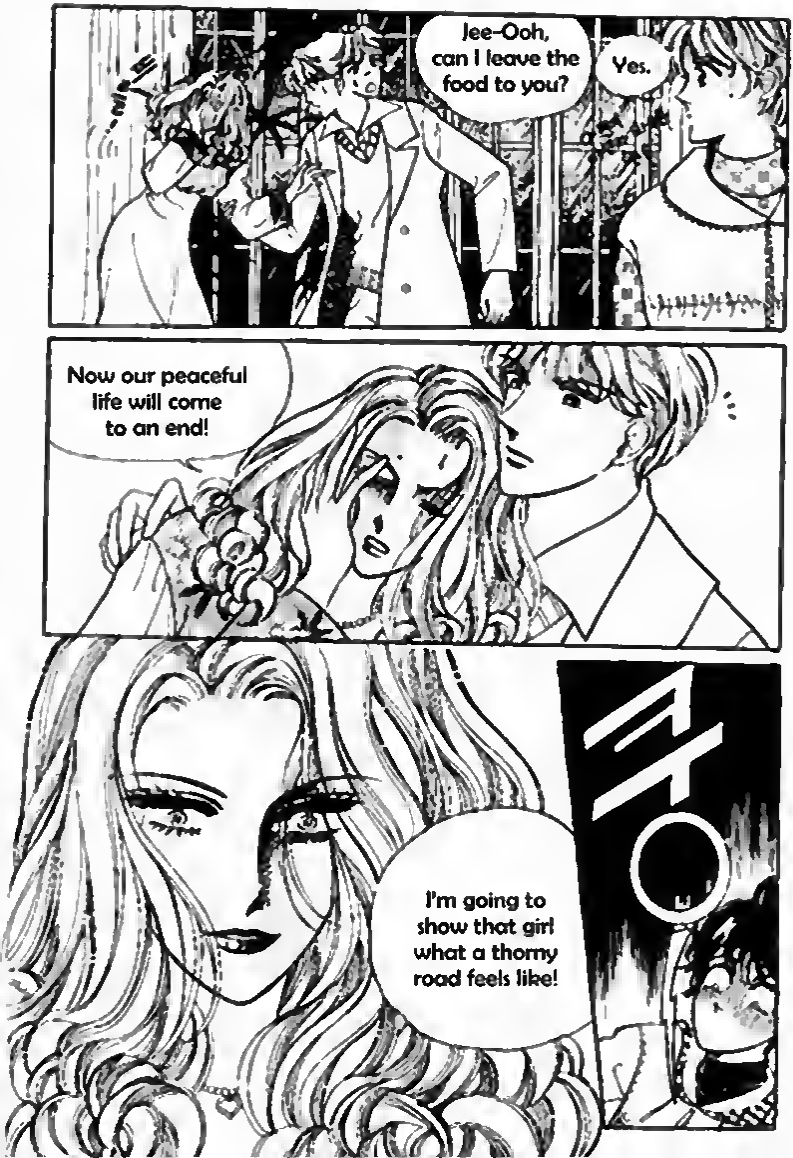
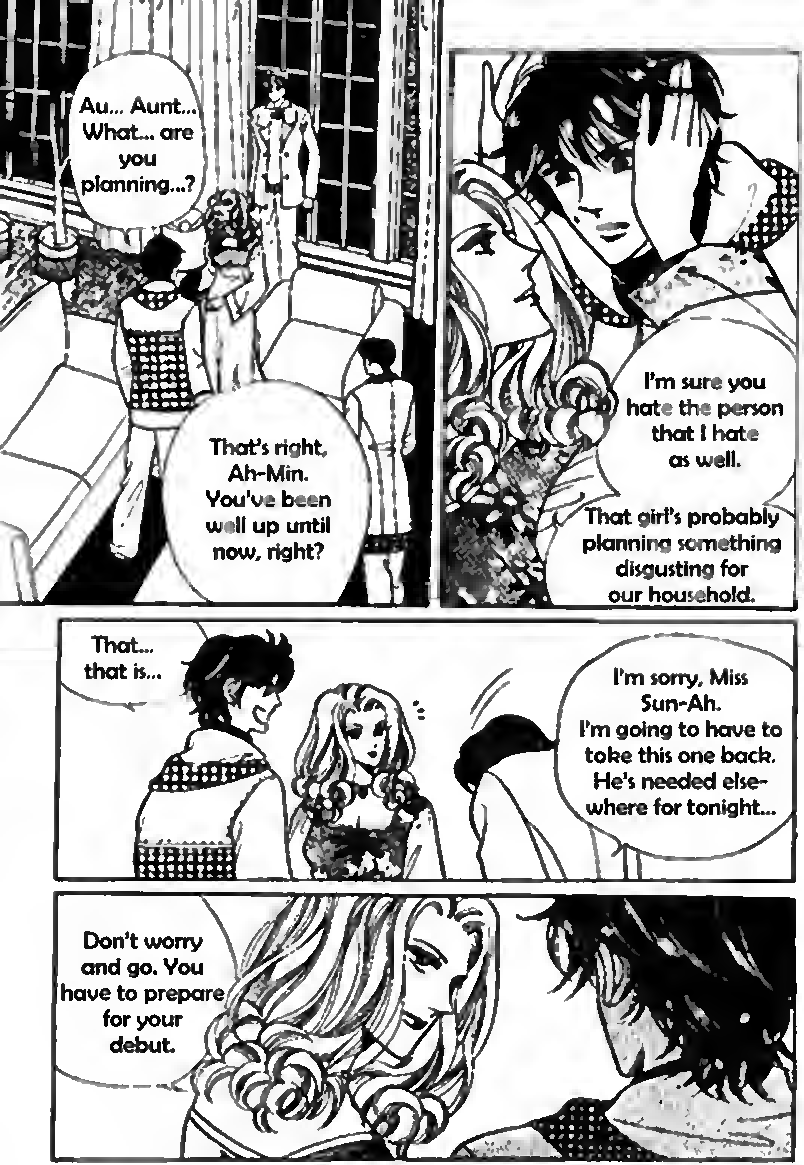
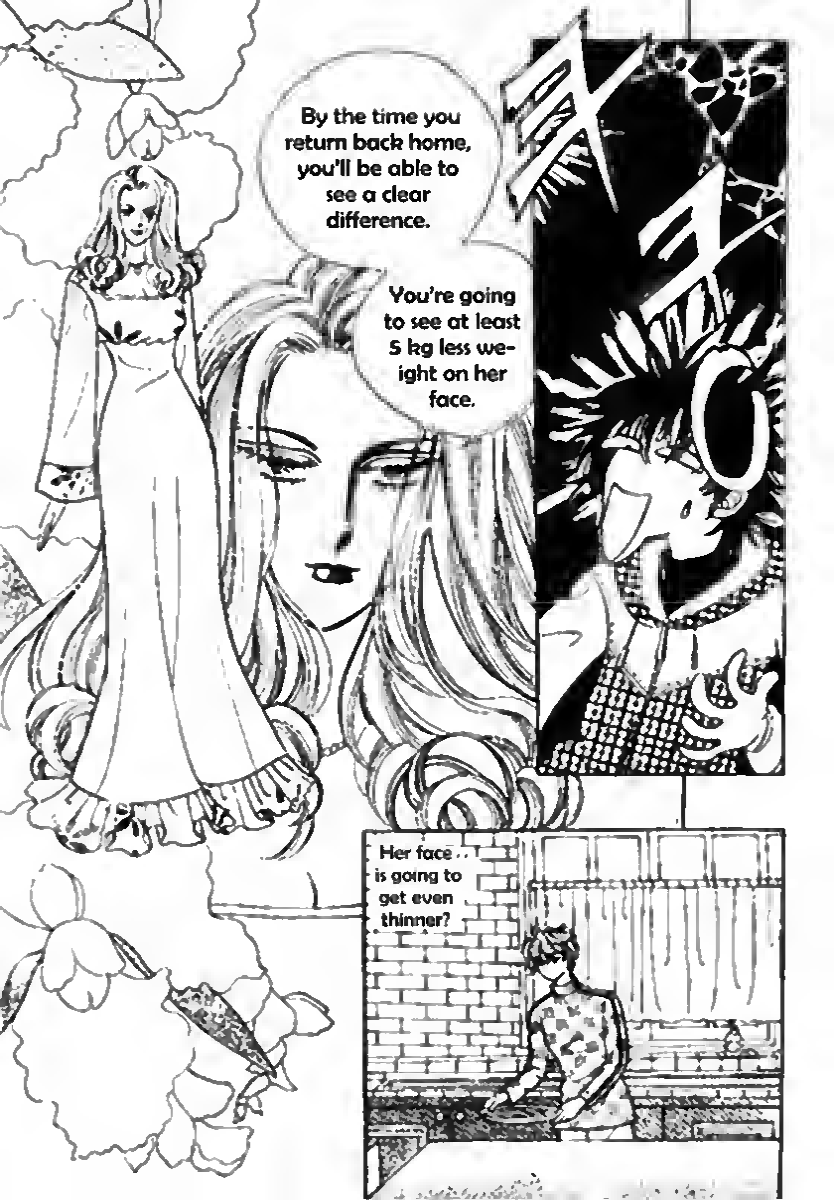
I know exactly whose blood runs through your veins even without being told!
It's that face that dared to steal my Sunbae right before my eyes!
T/N: "Sunbae" is a way of addressing your upperclassmen.
She must have been enemies with my mom.
You're right. I couldn't eat a single thing for twelve hours straight.
Mother, by any chance, are you hungry?
!



Jee-Ooh, can I leave the food to you?
Yes.
Now our peaceful life will come to an end!
I'm going to show that girl what a thorny road feels like!
끝

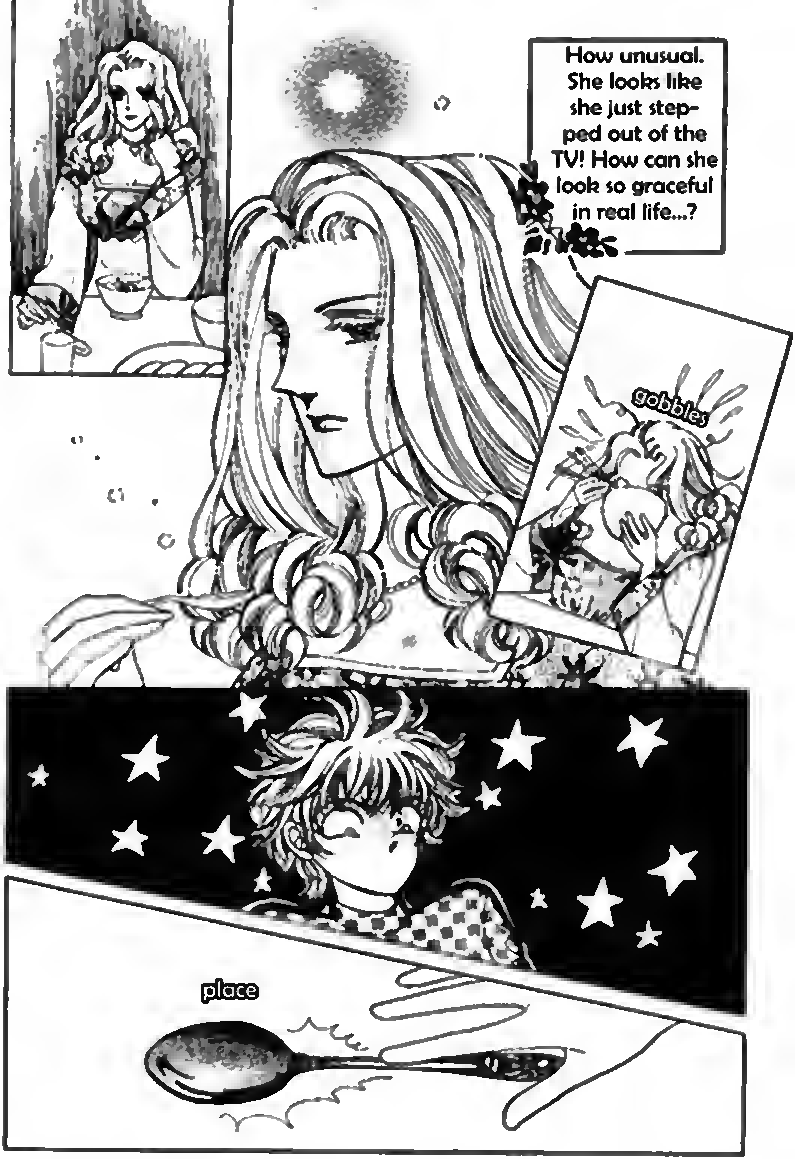


Au... Aunt... What... are you planning...?
That's right, Ah-Min. You've been well up until now, right?
I'm sure you hate the person that I hate as well.
That girl's probably planning something disgusting for our household.
That... that is...
I'm sorry, Miss Sun-Ah. I'm going to have to take this one back. He's needed elsewhere for tonight...
Don't worry and go. You have to prepare for your debut.



By the time you return back home, you'll be able to see a clear difference.
You're going to see at least 5 kg less weight on her face.
EX
Her face is going to get even thinner?

Let me go! I have to rescue Jee-Ooh!
Rescue me first! Don't you know that your recording career gets harder if you're late to even one rehearsal?
Please eat your dinner.
sits
o

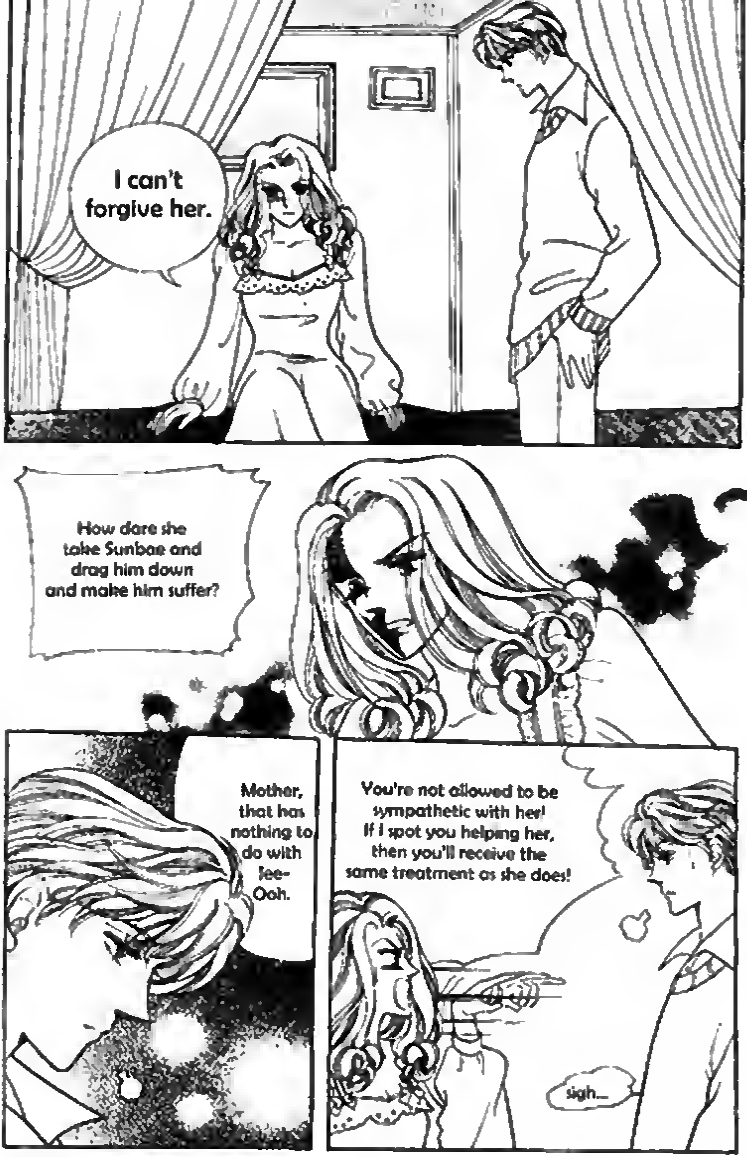


How unusual. She looks like she just stepped out of the TV! How can she look so graceful in real life...?
gobbles
place

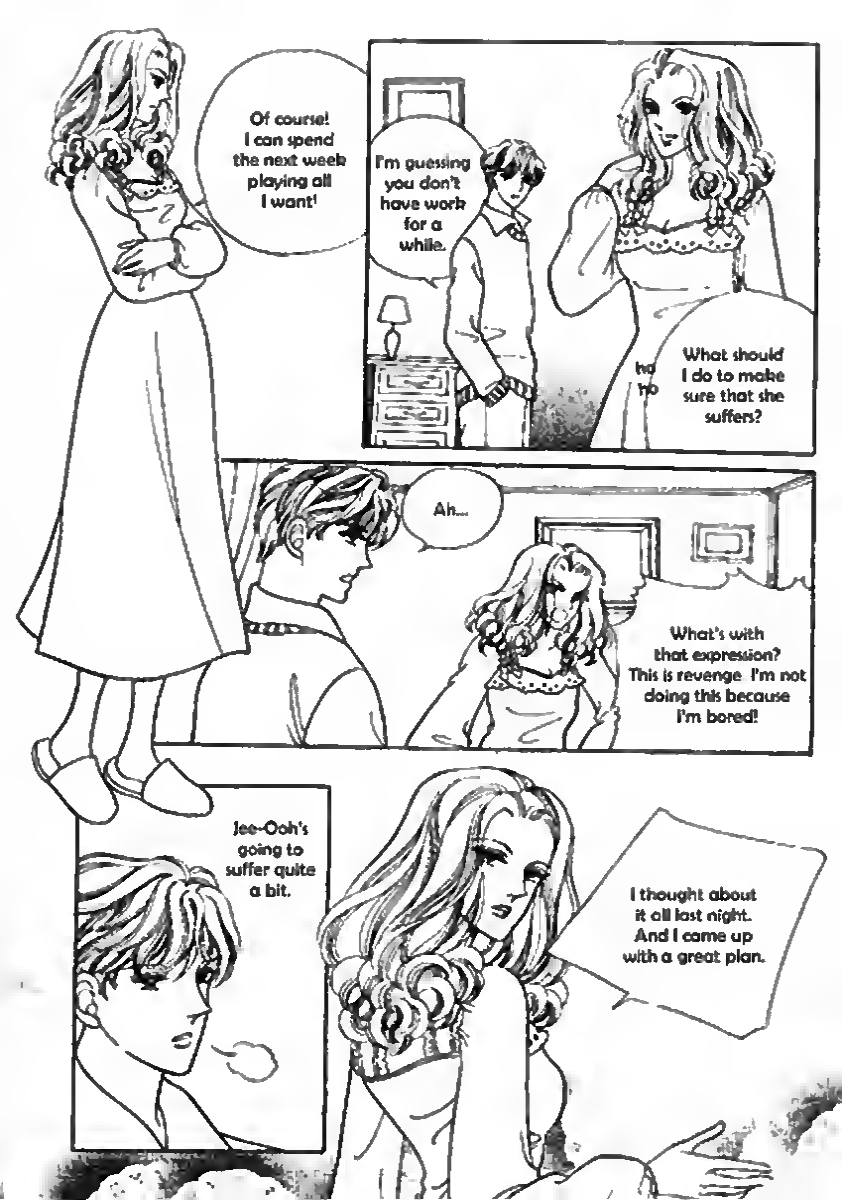
Maybe every-one in this house-ehold is strange.
Her table manners are exactly the same as Ah-Min's!
wipes
Maybe everyone in this household is strange.
sssssss
grassh!
I'm going to drink my coffee up in my room.
Don't bother with the coffee. I'm going to make her drink her medicine.
If she can sleep normally, she wouldn't suffer so much. And it seems that she can't fix her table manners at all.

Does it run in the family?
It's because of their work.
Because they're always running off to film, they can't eat at the right time.
Sometimes, they have to survive ten hours without a single meal.
So when it comes to food, they're the speediest
Now that I think about it, Ah-Min also eats really speedily doesn't he?
smile

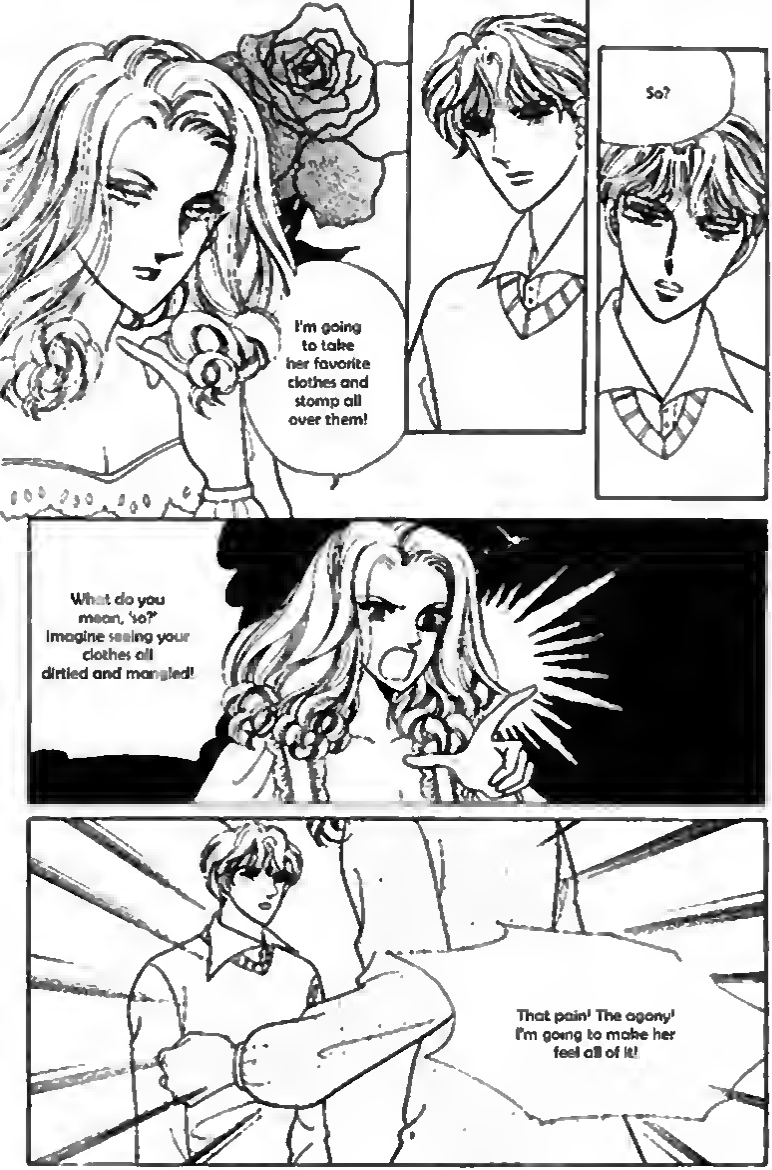
I always
thought it
was because
he's a good
[illegible]
child...
Why is it
that I can
[illegible]
his good
sides?
Mother, you
must drink
your medicine
before sleep.



I can't forgive her.
How dare she take Sunbae and drag him down and make him suffer?
Mother, that has nothing to do with Jee-Ooh.
You're not allowed to be sympathetic with her! If I spot you helping her, then you'll receive the same treatment as she does!
sigh...



Of course! I can spend the next week playing all I want!
I'm guessing you don't have work for a while.
Ha ha
What should I do to make sure that she suffers?
Ah...
What's with that expression? This is revenge I'm not doing this because I'm bored!
Jee-Ooh's going to suffer quite a bit.
I thought about it all last night. And I came up with a great plan.

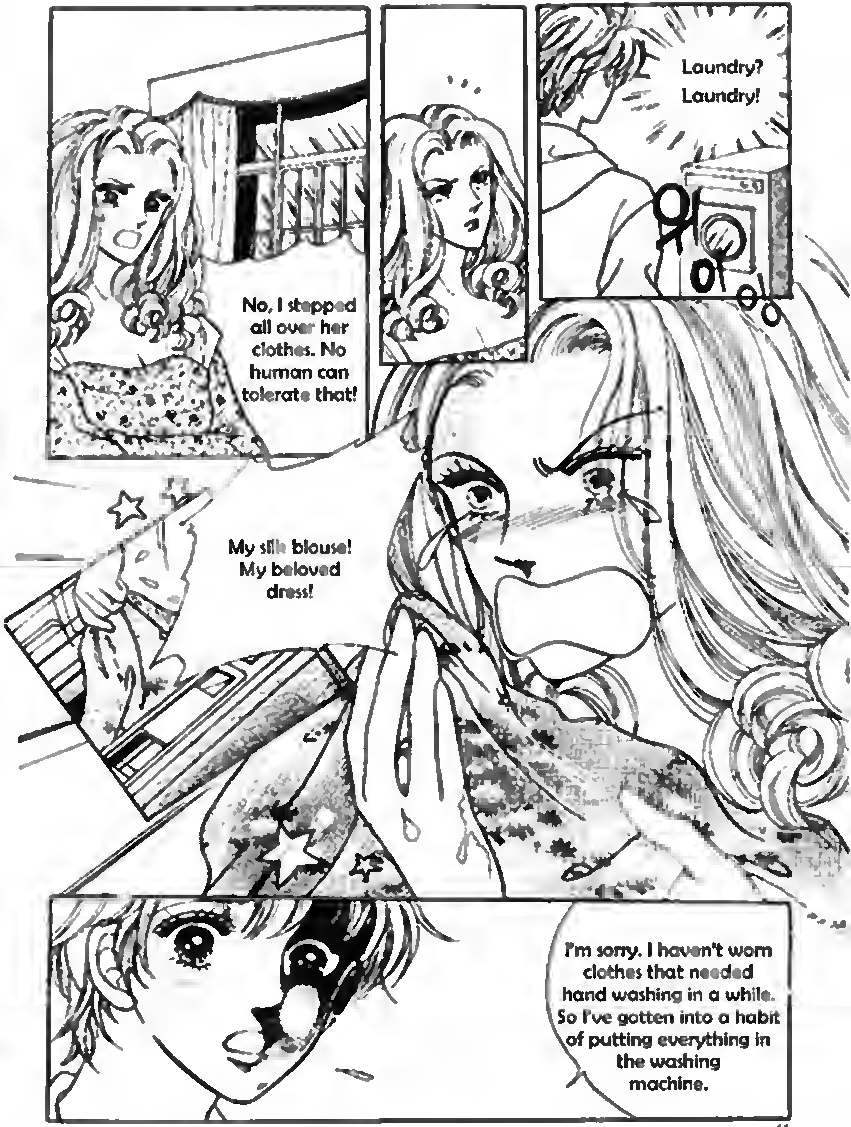


I'm going to take her favorite clothes and stomp all over them!
So?
What do you mean, 'so?' Imagine seeing your clothes all dirtied and mangled!
That pain! The agony! I'm going to make her feel all of it!

Looks like I don't have to worry a thing.
Am I... too cruel?

scratch
scratch
scratch
I know I was supposed to wash these earlier... but why were they tossed here?
picks up
I'm sure I didn't toss them here...
I knew it... that was too cruel... .
What if she's so shocked that she commits suicide?
That will never happen!

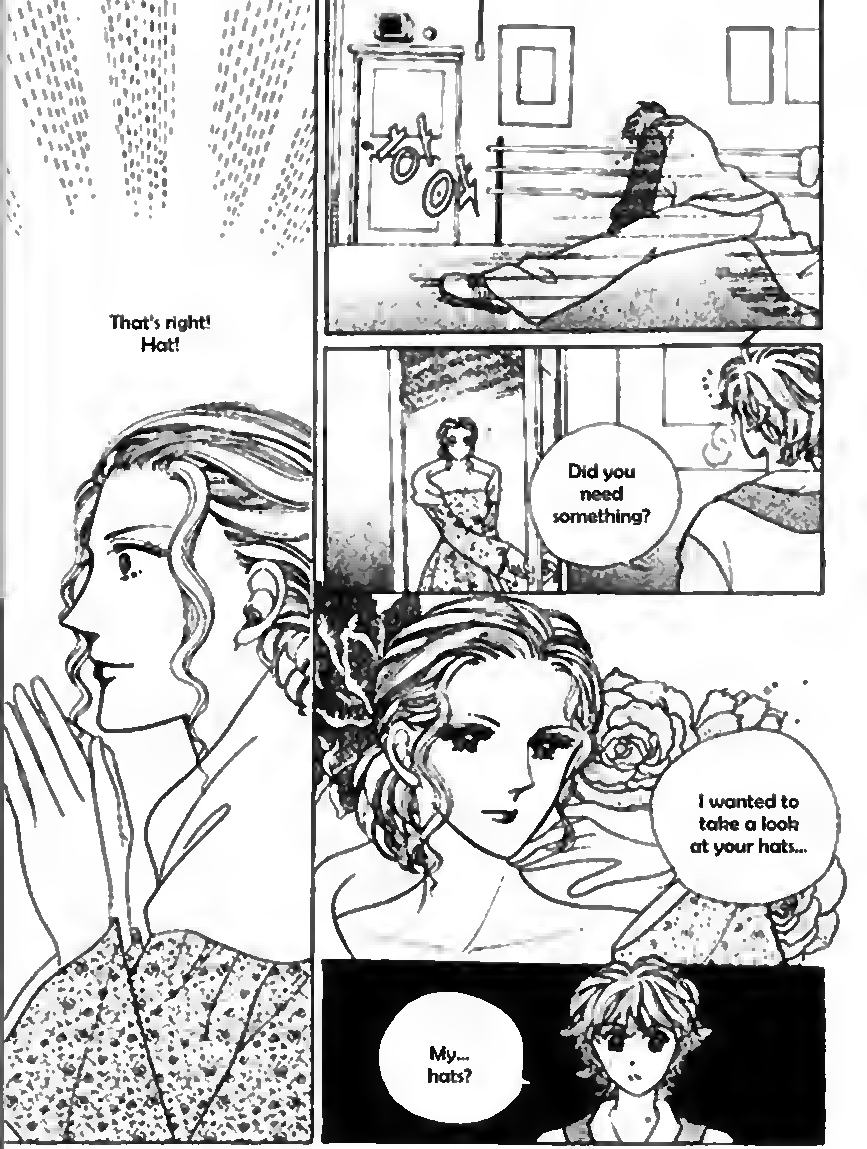
Ma'am, please give me your dirty clothes to wash.
Oh... Oh, it's in my room...
That's strange. Her heart should be filled with uncontrollable rage, but why doesn't she show it?
Maybe she's planning some sort of revenge?
Not everyone in the world is like you, Mother.



No, I stepped all over her clothes. No human can tolerate that!
Laundry? Laundry!
My silk blouse! My beloved dress!
I'm sorry. I haven't worn clothes that needed hand washing in a while. So I've gotten into a habit of putting everything in the washing machine.

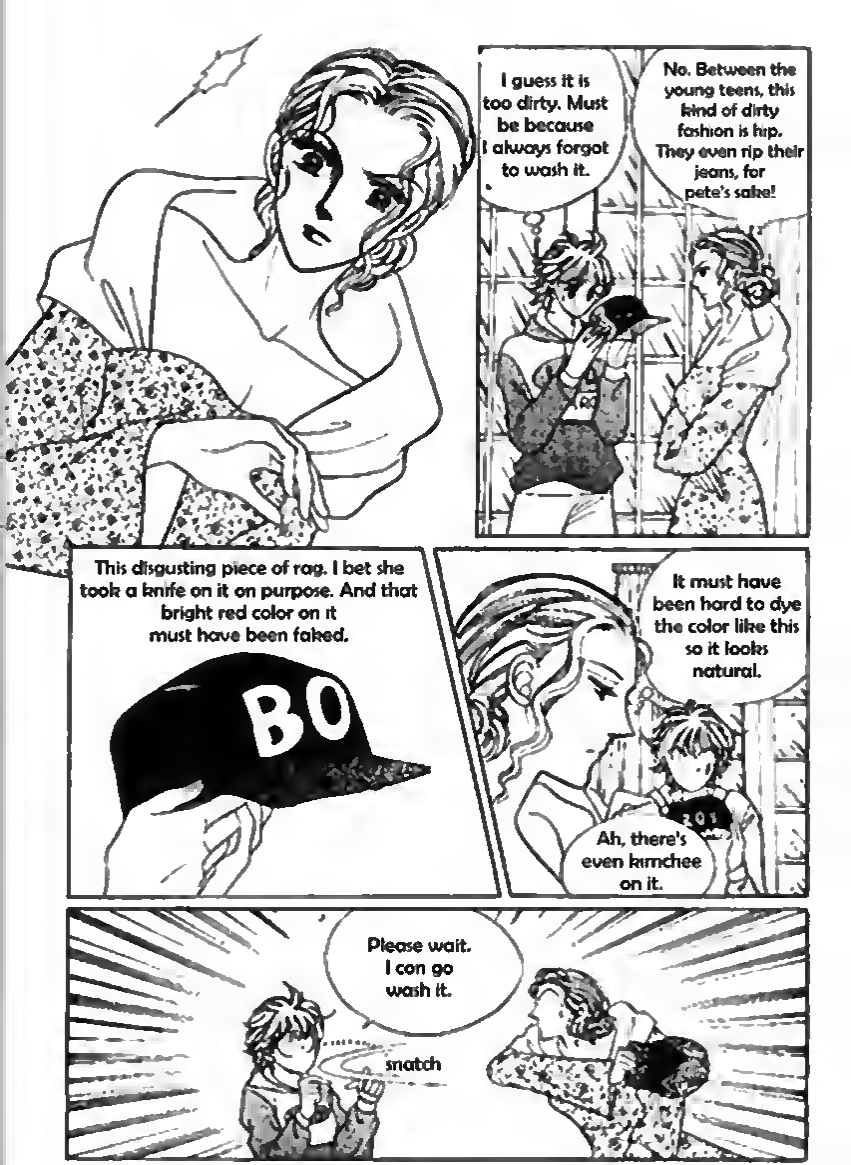
Huh? I can redo it.
stagger
With clothing, she gets revenge with clothes?!
What a scary child! No wonder she's related to that woman!
But that was too cruel! How could you do this to my most precious dress?
I can never forgive her! She's pushed me to my limit!
I'm going to make her suffer for ruining my dress!
Try to understand. She can't stand boredom the most.
Eh? What is?
MCAROL

What a beautiful work! Most modern fashion. Clean finish.
Where should I go wearing it, so that it doesn't get harmed?



That's right! Hat!
Did you need something?
I wanted to take a look at your hats...
My... hats?

That's right. I'm sure there's a hat that you treasure with all your heart.
I actually don't have a hat like that.
But you must have at least one hat?
Look at her trying to hide her hats! There must be at least one hat that she's hiding here!
A hat...
Maybe she needs a hat?
dirty
BOY
Uh... if this is okay.



I guess it is too dirty. Must be because I always forgot to wash it.
No. Between the young teens, this kind of dirty fashion is hip. They even rip their jeans, for pete's sake!
This disgusting piece of rag. I bet she took a knife on it on purpose. And that bright red color on it must have been faked.
BO
It must have been hard to dye the color like this so it looks natural.
Ah, there's even kimchee on it.
Please wait. I can go wash it.
snatch

She's completely nervous. That's how much she treasures this hat.
Suffer as you watch this hat become completely demolished in front of you!
b u r n s
Oh my. I'm so sorry. I accidentally left your hat on the stove and ignited it!

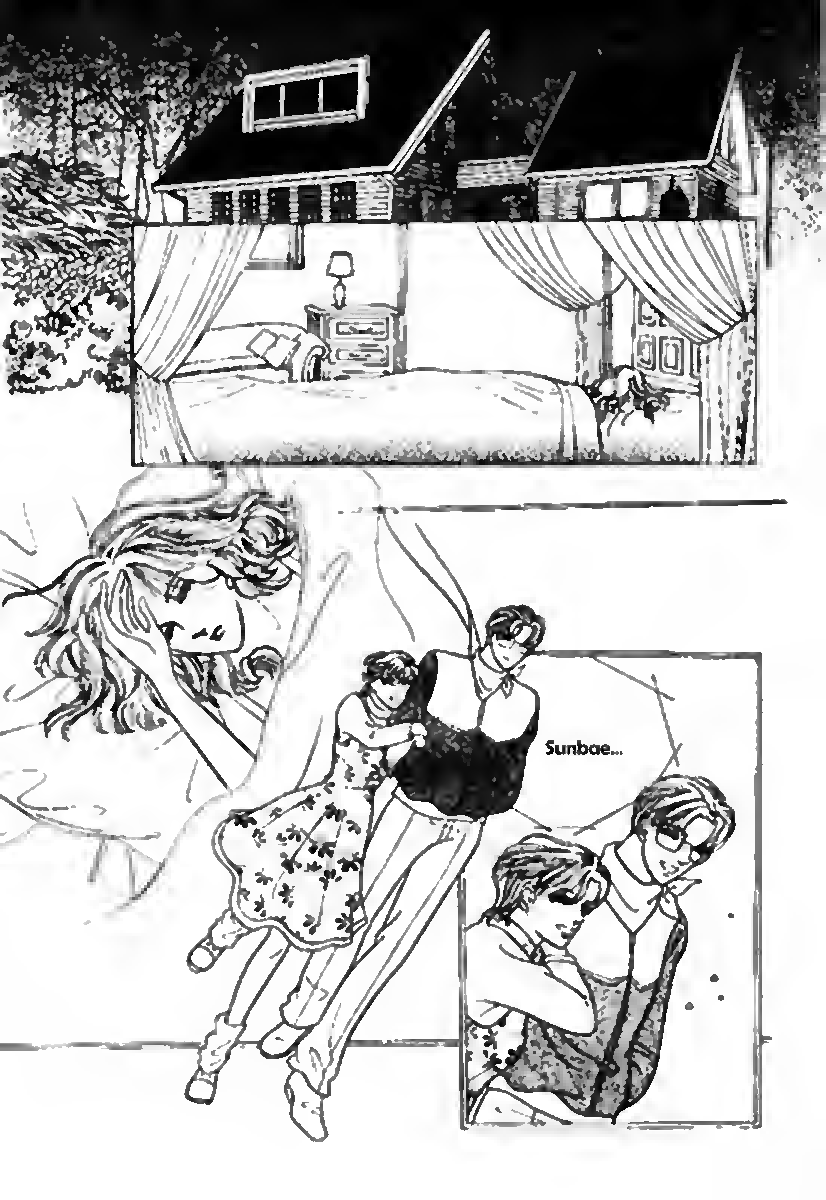
This isn't even fun.
How annoying. The ashes just flew everywhere. Do I have to clean that?
I must have been too cruel. I should never have touched her beloved hat.
Was I... too harsh?
You... you... let's go to my room and drink some tea together. I'll prepare it as an apology.
But I'm fine.
Don't complain and come on!

KAROL
Now, sit wherever you'd like.
No matter how I look, this room is filled with stuff. How does she live with so many things in this room?
That's right. Now what kind of tea would you...

Mother, what happened here?
Ah...
Ah...
Uh?

I lost.
What a scary child! I can't compete with her any longer.
The price is too great!
I'm sorry. I didn't know there was a hat right there.
Don't come closer!
From now on, stay away from my hat! And my clothes! And away from my personal being! I'll acknowledge your win, so leave!

I really am sorry.
No! Don't come near!
steps
?!
rips
My... my precious dress....
Let's go to practice.
She just needs to get it fixed.



Sunbae...
